

# Bar-Ilan – imec Networking Event

New Horizons for the Semiconductor Industry

**Wednesday March 2, 2016**  
**08:30 - 14:00**

**Venue: Faculty of Engineering, Building 1104, Bar Ilan University**

**08:30 – 09:00** Registration & Breakfast

**09:00 – 09:15** Prof. Alexander Fish, Bar Ilan University - Opening Remarks

**Track 1: Internet of Things (IoT)**

**09:15 – 09:35** Steve Beckers, VP, GM IC-Link, imec

"Substream Innovation: Hardware is the New Software"

**09:35 – 10:00** Internet of Things Panel

Moderated by: Steve Beckers, VP imec, GM IC-Link, imec

Prof. Yosi Shacham, Tel Aviv University

Erez Bar Niv, CTO, CEVA

Uzi Zangi, CEO and Co-Founder, PLSense Ltd.

Lior Blanka, CTO, DSPG

**Track 2: Hardware Security**

**10:00 – 10:20** Uri Bear, Security analysis group manager, STARE Center, Cisco

"Hacking Secure Hardware – An Automotive Arena Case"

**10:20 – 10:45** Hardware Security Panel

Moderated by: Dr. Osnat Keren, Bar Ilan University

Dr. Ziyad Hanna, VP R&D and Fellow, Cadence Design Systems

Dr. Sanu Mathew, Lead Researcher in Security Systems, Intel Labs

Yonatan Shlomovich, Manager, STARE Center, Cisco

Harmke de Groot, Senior Director Perceptive Systems for the Internet of Things, imec / Holst Centre

**10:45 – 11:00** Coffee Break

**Track 3: M&A in the Israeli Semiconductor Industry**

**11:00 – 11:50** M&A Panel

Moderated by: Orli Tori, CEO, Bar-Ilan R&D Co.

Yosef Meyouhas, VP/GM Marvell Israel

Eli Fruchter, Founder and Former CEO, EZChip

Ziyad Hanna, VP R&D and Fellow, Cadence Design Systems

Raanan Gewirtzman, Former CEO Broadlight

Yigal Bitran, CTO Altair

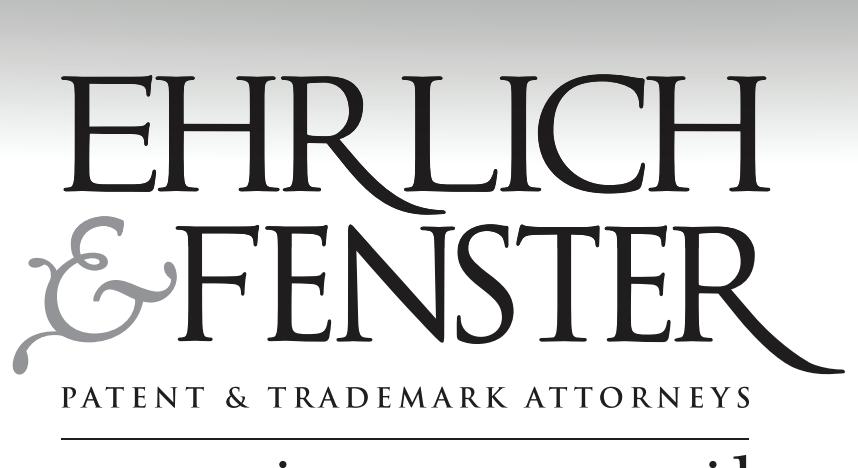

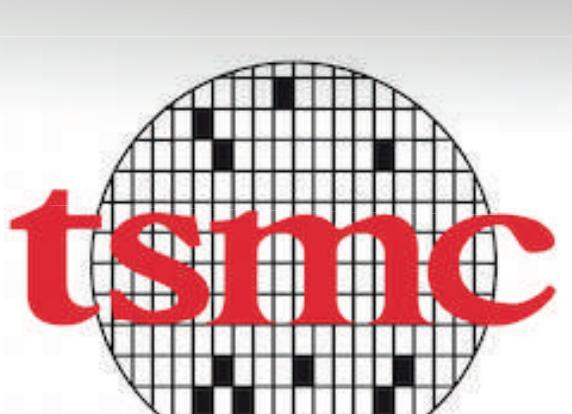

**Track 4: The Future of Memories**

**11:50 – 12:20** Moderated by: Kees Joosse, Director Business Development, TSMC EMEA

Prof. Yakov Roizin, Director of Emerging Technologies, TowerJazz

Marcelo Yuffe, Senior Principal Engineer of Special Circuit Design, Intel

**12:20 – 14:00** Networking Lunch

ACADEMIC NETWORK
